

CVC646HR

## High Resolution Color Dome Camera CVC646HR

The high-resolution, low light sensitive CVC646HR color dome camera will handle your most challenging security requirements. The CVC646HR provides excellent picture quality even under the most demanding lighting conditions. When ceiling mounted the CVC646HR is fully adjustable both horizontally and vertically. It features a 1/4" format CCD sensor with a 3.6mm lens which is suitable for most applications. The video output features a BNC fitting for secure connections.
